## Why Do We Fish?

*"I fish because I love to: because I love  
the environs where trout are found, which  
are invariably beautiful, and hate the  
environs where crowds of people are found,  
which are invariably ugly;  
because of all the television commercials, cocktail  
parties, and assorted social posturing I escape...  
because trout do not lie or cheat and cannot be  
bought or bribed or impressed by power;  
because I suspect that men are going along  
this way for the last time, and I for one  
don't want to waste the trip...  
and finally, not because I regard fishing as being  
so terribly important, but because I  
suspect that so many of the other concerns  
of men are equally unimportant...  
and not nearly so much fun."*
